Touchdown with your broken wing
give me your love and well begin
To leave the past
time moves on much too fast.
So give me your kick
don't be so shy.
And use every trick
don't tell me why

You still need the sky to fly on high.
I'm falling
I'm falling
I'm falling in love again.
I'm falling
I'm falling
I'm falling in love.
Check the hearts of your 25 lovers
And you'll find the answer why it's you
who's losing.
Check my heart 'cause you're still on the outside

It's your last chance to get in on the inside now.
Words are a waste of time

When what we feel can't be denied
say goodbye
and it would be a lie.
So look at me
don't walk away
can see in your eyes that you want to stay.
You should know that only winners score.

I'm falling
I'm falling
I'm falling in love again. . . .
Check the hearts of your 25 lovers
Check the hearts of your 25 lovers
