I wonder how
You act so fly
When you try, so hard to try, to try, to try, to try
I see your fly, is open wide
Take a look inside
Its wild like a giant sweet
Come on
It's all in my bed,
It's all in my bed

Us only, you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will be

in the other bed
where the covers are cumfier
Got our pride in drugs
Standing tall in the bum
Oh we're flying high
Spinning in night time
Living life and bumming free

This is where I wanna be
Come on

It's all in my bed,
It's all in my bed

Us only, you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will be

It's all in my bed,
It's all in my bed

Us only, you and me
Wherever you go I will be
Just close your eyes and you'll see
And wherever you go I will be

come on over tonite
(come on over tonite)
we will make it special
weel be high on drugs in my bed.
