Ooh baby, love me right
Let me love you 'til you get it right
Why can't you let the others be
Cuz with you is where I got to be
Ooh sugar, where've you bin hangin'
Out with your male friends
Listen, somebody's gonna hurt you
The way you love to keep hurtin' me

Chorus:

Ooh baby, love me right
Let me love you ?til the mornin? comes
Ooh sugar, love me right
You know I want to be the only one
Whhhhhhooooooooooooooooaaaaaa
Let me love you ?til you get it right

Ooh baby, understand
I want you to be the only man (only man)
But it seems though it's gettin' to hot
I think I'll start to have my own fun
Ooh baby, it's plain to see
That I'm qualified to fill your needs
You think you put it over on me
Oh honey baby just you wait and see

(Chorus)

Love me right
You gotta love me
Love me right
You gotta love me
Whoo whoo yeah

Whhhhhhooooooooooooooooaaaaaa
Let me love you ?til you get it right

Oh baby love me right
Let me love you ?til the mornin' comes
Oh sugar love me right
You know I want to be the only one (2x)
