I know you
Keep coming back for more
Until I tell you stop
I don't want you anymore, stop
I don't need you anymore

Oh, you
Keep coming back for more
Until I tell you stop
I don't want you anymore, stop
I don't need you anymore

You've gotta beg me some more
You've gotta love me so much more
Until I tell you stop

I know you
Keep coming back for more
Until I tell you stop
I don't want you anymore, stop
I don't need you anymore

Hey,
You've gotta beg me some more
You've gotta love me so much more
Until I tell you stop
