"Man On The Porch"

As I stand here and look in this mirror
As I stand here and soak in my tears
As I think about what I've become
As I think about
Everything I've done
Just then I heard a knock on the door
So I decided to look out my window
There I saw a man I had never seen before
Like an angel he started singing
"Son I love you, Son I won't leave you
You'll be OK if you just follow Me"

I'm the man that's been on your porch knocking
I'm the man that holds the gift of salvation
I'm the light
The bridge that leads to heaven
I'm the way
The truth and the life

Who is this man singing to me
Could this be the man that they say
Cured the leper and brought sight to the blind
Could this be
The man that bled and died
So I went and I opened up my door
This man's face how it glowed
And his eyes they pierced deep into my soul
I fell into his arms and I sang
Father forgive me
For leaving You out in the cold
Touch me like the leper
And heal this heart of mine

You're the man that's been on your porch knocking
You're the man that holds the gift of salvation
You're the light
The bridge that leads to heaven
You're the way
The truth and the life

I'm the man that's been on your porch knocking

I'm the man that holds the gift of salvation
I'm the light
The bridge that leads to heaven
I'm the way
The truth and the life
