Well it's harder to think up then down  
And if you go somewere you meet the town  
But watch out he will push you down  
stand up all the time  
And you se it be fine!

He's not going to tell anything  
He's not wort a singel thing  
And if he hits you then what do you do  
you tell

So the man telling now?  
But, back off you realice how  
I'm the stronger person here  
let me be seen the man out there?  
He crying he's eyes out, yeah yeah  
So the man telling now?  
take my hand and I'll show you how..

It's much complicated and more crazy  
and you can not be that lazy  
but with him yeah he's crazy  
don't be embarrest all the time  
and you se that it will be fine  
he's more then you for nothing  
he's not wort it so sing!

So the man telling now?  
But, back off you realice how  
I'm the stronger person here  
let me be seen the man out there?  
He crying he's eyes out, yeah yeah  
So the man telling now?  
Take my hand and I'll show you how

So the man telling?  
He's not telling a shit!  
So the man telling?  
He will get hit!

I'll hope he understand that what he's doing isnt

coming from a hand!  
So the man telling now ..

So the man telling now?  
But, back off you realize how  
I'm the stronger person here  
let me be seen the man out there?  
He crying he's eyes out, yeah yeah  
So the man telling now?  
Take my hand and I'll show you how, oh yeahyeahyeah
