Sample: lamentations, lamentations, lamentations
worldwide

Watch out (repeated)

LB: In the beginning men and women had an obligation
to their children

Lateef: Then there was a real and true necessity in
need for building

LB: There was still the discipline and will proliferate the
lineage

Lat: Matters of the spirit, mind, and body taken serious

LB: But the way that we became what we became

Somebody please explain

Lat: Well we could tell you if you're curious

Those that reign got the masses in chains

And their minds enslaved

Both: And that's the part that makes me furious

Watch out (repeated)

Both: Cos they're definitely aint no info readily avai'

Lable to the general A (?) people so let me know x2

Lat: It's easily this multimedia crews that feed you to
the neediest

It's the greediest trying to cheat us out of our God
given right

LB: To a quality education minimal opportunities
available

Limited occupations we are not given a choice

Lat: Or given a voice within a political system pimped
and gangsta'd out

Wherein the people are the victim sheep being lead
about

LB: While the followers and the patrons of any faith
outside the mainstream

Are being raided, falsely painted as endangering the
way things work

Lat: And the way things are remain

LB: I can't believe that things aint worse

Lat: When all the wicked seeds we've sown have grown
LB: And poisoned all the Earth
Lat: It serves us right
LB: Can't really act surprised when the harvest has no
worth
Lat: The curse that's lurking round the corner
Both: Is the product of our work

Watch out (repeated)

Right now
LB: The holy war's growing opposing forces polling of
the origins
Of which have been historically been ignored
Right now
Lat: Our foreign policy is mallets of democracy
Upholding an aristocracy of secret terrorist cells
Right now
LB: The global poverty that we accept so commonly
Turns people into property one step away from hell
Right now
Lat: Healthcare battles bioengineering for the
worldwide scare
Of the plague the we're fearing
Right now
LB: They got the right to put our lives under
surveillance
Right now
Lat: They got the right to lock us up we don't obey them
Right now
LB: Modern education don't prepare the youth
Right now
Right now
Both: Do what you gotta do
Right now
LB: There's people shooting at people that's throwing
stones
Right now
Lat: There's a movement of people across the globe
Right now
Both: Right now is where we're at
What goes around comes around
Time for action before the last trumpet sounds

Watch out (repeated)
