"Beat To Shit"

Visit "[Beat To Shit](#)" on MotoLyrics.com

In my life there's just one thing I know
One mile down and a thousand to go
I give and I give
Everything I get: beat to shit

The car I drive: beat to shit
The road I ride: beat to shit
My old ___Hi-Fi___: beat to shit
The story of my life
It's all beat to shit

So I got me a six-pack and my six-string
It loosens up my soul and I start to sing
_____pound it, the _____ it gets
yeah, yeah, yeah

That old guitar: beat to shit
My broken heart: beat to shit
This old routine: beat to shit
All my hopes and dreams: beat to shit
It's all beat to shit
