see that foxy momma over there
the one with the knee up hotter than hell
aww yeah at the bar as they all stop and stare
but what they have to say no she really doesn't care
she let's them know yeah she makes it clear
drunk talk and bullshit isn't why she's here
chewing bubblegum and drinking beer
aww yeah she's the one
that's right now bubblegum and beer (bubblegum and
beer)
bubblegum and beer (bubblegum and beer)
well I'm a big proud papa on the stage
and I ain't never gonna act my age
if I ever did I'd be digging me a grave
to shovel all the money in that I didn't save
I'll let ya know yeah I'll make it clear
that popularity and profit isn't why I'm here
chewing bubblegum and drinking beer
aww yeah I'm the one that's right now
bubblegum and beer (bubblegum and beer)
bubblegum and beer (bubblegum and beer)
alright let's go
yeah we get it on we hit it up we take the beat
yeah we're rollin with rocket and we're right along with
zeke
hey we don't play it straight but we never really cheat
just a sinorator story of two twisted ass freaks
we let you know yeah we make it clear
when you see one of us the other one is near
chewin bubblegum and drinking beer
oh yeah were the ones
that's right now
bubblegum and beer (bubblegum and beer)
bubblegum and beer (bubblegum and beer)
yeah bubblegum and beer (bubblegum and beer)
bubblegum and beer (bubblegum and beer)
yeah bubblegum and beer (bubblegum and beer)
