been alright for awhile we're rollin on
and i surely cant complain
it's been good with the soda pop and
tradin the dessert for the rain, yeah
i like to think i know what's what
what is and what's happenin
things ive picked up down the line
you cant ever leave
and theres no such place as far away
until you've left something behind
well i keep taking dirt roads and turning on dead ends
and dust
yeah i keep taking dirt roads and turning on dead ends
and dust
guess i'll drive this here ragged ol pick up truck til it
rusts
come on, now i know life aint fair and whoever said it
was
and there aint no guarantees in the back of my mind i
hear the voices
they keep saying that's the way it is
and no nothing comes for free, i know
but i keep taking dirt roads and turning on dead ends
and dust

guess ill drive this here ragged ol pick up truck til it
rusts

well im taking them dirt roads

dirt roads, dead ends and dust

yeah

well i keep taking dirt roads and turning on dead ends
and dust

guess ill drive this here ragged ol pick up truck til it
rusts

cuz it's end of the wind and nothing but waves

got to the ones you dont trust

i keep taking dirt roads

dirt roads and dead ends and dust

dead ends and dust(x3)

dirt roads and dead ends and dust(x2)

aww yeah
