### "Heavy Heart"

Been watching so much TV  
I'm thinner than I should be  
Like a waterlogged ball  
That no one wants to kick around anymore  
Got an all-day morning hairdo  
That no comb can get through  
It's all granola and beer  
A calling card and a truck stop souvenir  
I miss you like sleep  
And there ain't nothin romantic about the hours I keep  
And it's the mornings when it starts  
I don't look so good  
Now I got a heavy heart

Talk a lot about football  
And girls I kissed in grade four  
I piss off my friends  
I'm digging a hole just staring at the floor  
Now every t-shirt has a white stain  
I'm loving cigarettes again  
I know every tune about  
Guys and girls and hurts and hearts and moans  
I miss you like sleep  
And there ain't nothing romantic about the hours I keep  
And it's the mornings when it starts  
I don't look so sharp  
Now I got a heavy heart  
It's just a low rent payin', palpitating, pump inside my  
shirt  
And there's a weight that is pressing so hard  
God it hurts

Been watching so much TV  
I'm thinner than I should be  
Like a waterlogged ball no one wants to fuck with  
anymore  
I miss you like sleep  
And there ain't nothing romantic about the hours I keep  
And it's the mornings when it starts  
Ow, ow, ow  
My heavy heart.
