don't lie to me i get burned
and I'll do anything you want me to
I'll do anything you want me to

cuz your hot like the sun
hot, like the sun
I'll do anything you want me to (x4)
cuz your hot

(second part of song)
ride into the horizon
tonight I'll be there too

do you remember baby when we were famous
when we were young and free and nobody could blame
us(x2)

I can't believe it but now I know it's true
that I will go down burnin' and yurnin', alright
you'll be there too

(chorus)
do you remember baby when we were famous
when we were young and free and nobody could blame
us(x2)
do you remember baby nothing could shame us
when we had everything and everyone oh yeah
do you remember baby when we were famous when we
were young and free

hot like the sun, yeah
like the sun, yeah

do you remember baby when we were famous
when we were young and free and nobody could blame
us(x2)
do you remember baby nothing could shame us
when we had everything and everyone oh yeah(x2)
