Juicy, Juicy gotta good idea now, she been thinkin' all night,
Tryin' to talk me into makin' a deal now, she don't like tears in a fight,
Juicy, Juicy gotta work in out yeah, she wears a killer girdle,
Some other things are comin' out of her mouth oooh, she gotta lotta hurt.

I told her I don't wanna kiss no heiney , which didn't work,
But you can only get that shit so shiny, when you polish a turd.
Juicy, Juicy missing what I'm meaning, she knows the way to go,
But they don't dig it if it's U. O.C. man, on the radio,

I told her I don't wanna kiss no heiney, which didn't work,
But you can only get that shit so shiny, when you polish a turd.
Juicy, Juicy got a good idea now, she been thinkin' all night
Tryin' to talk me into makin' a deal now, she go like queens in the fight,

Juicy, juicy - Juicy, juicy , she gon' play my song ,
Juicy, juicy - Juicy, juicy, she gon' play my song,
Juicy, juicy - Juicy, juicy, she gon' play my song,
Juicy, juicy - Juicy, juicy, she gon' play my song,
On the radioâ€¦!â€¦!â€¦!..
