you sat at home the windows tinted black it hits you  
hard and you cried so long life turned & wandered  
never to come back again take what she gives you  
don't feel sorry for her when you fell out of the starlight  
inn you were too hurt to walk to bad to begin i looked at  
the sign but i couldn't feel sad for you take what she  
gives you don't cry when you kiss her poor little girl ran  
away for good i try to explain why she won't say a thing  
sad sad thing im so far away now how can i say why  
she wont talk at all she holds the deck of cards she  
wants to be alone "I've been very ill and i tried waking  
up now i want to be alone" when you ran out of Pete's  
hotel you didn't look so good and you didn't feel so  
well you said "hold me tight" but i couldn't get it right  
take what she gives you...don't feel sorry for her... poor  
little girl ran away for good and i tried to explain why  
she won't say a thing sad sad thing I'm so far away now  
how can i say why she wont talk at all ...she holds her  
deck of cards she wants to be alone she still drinks in  
the dark the radio is left on late she saw a madman  
fight and break it up cause he hated himself and she  
felt better off cause she was only drunk
