She's got a man on the side  
yeah she's with him today  
and I probably won't die  
but it sure feels that way

and I used to be strong  
I used to be tough  
and she used to be pretty  
but now she's just pretty fucked up

aww pretty fucked up  
yeah pretty fucked up now  
aww she used to be pretty  
but now she's just pretty fucked up

now I know people change  
and sometimes that's good  
and some people don't  
when maybe they should  
but right now that don't help me  
I might just throw up  
cause it sure does feel shitty  
when things just get pretty fucked up

aww pretty fucked up  
yeah pretty fucked up now  
aww she used to be pretty  
but now she's just pretty fucked up

now a long time ago  
I made her feel this way  
and I begged her forgiveness  
yeah I begged her to stay  
and she said that me she loved me  
it made me feel good  
yeah it made me feel gitty  
but now I feel pretty fucked up

aww pretty fucked up  
pretty fucked up now  
aww she used to be pretty

but now she's just pretty fucked up

aww pretty fucked up  
yeah pretty fucked up now  
aww she used to be pretty  
but now she's just pretty fucked up

yeah she used to be pretty  
but now shes just pretty fucked up  
pretty fucked up  
aww pretty fucked up
