Verse:

This road is a rocky place, and It's good to see
a smiling face.

And I just aint satisfied till the coffee's on
and the eggs are fried.

Chorus:

Roadworn and weary eyed gone one to many miles
got no one near me and it's gonna be a while

Verse:

Now you may be far away, maybe your low on gas
and lookin for a place to stay

I know of a good little shack, will get ya thinkn strait
with a fresh eyed plate
to get ya back on track.
