My Daddy was workin' nine to five
While my Momma was havin' me
By the time I was half alive
I knew what I was gonna be
I left school and grew my hair
They didn't understand
They wanted me to be respected as
A doctor or a lawyer man
(But I had other plans)

Gonna be a rock 'n' roll singer
Gonna be a rock 'n' roll star
Gonna be a rock 'n' roll singer
Gonna be a rock 'n' roll star

Well I worked real hard and got myself
A rock 'n' roll guitar
I'm gonna be on top some day
I'm gonna be a star
I can see my name in lights
And I can see the queue
I've got the devil in my blood
Tellin' me what to do
(And I'm all ears)

Gonna be a rock 'n' roll singer
Gonna be a rock 'n' roll star
Gonna be a rock 'n' roll singer
Gonna be a rock 'n' roll star
(I hear it pays well)

And you can stick your nine to five livin'
And your collar and your tie
You can stick your moral standards
'Cause it's all a dirty lie
You can stick your golden handshake
And you can stick your silly rules
And all the other shit
That they teach to kids in school
(Cause I ain't no fool)

Gonna be a rock 'n' roll singer
Gonna be a rock 'n' roll star
Gonna be a rock 'n' roll singer
Gonna be a rock 'n' roll star
Gonna be a rock 'n' roll singer
Gonna be a rock 'n' roll star
Gonna be a rock 'n' roll singer
Gonna be a rock 'n' roll star
Yes I are!
