Well i'm as sin, that is to say i'm not good lookin
But i can bust some ska, in fact the rhythm rhyme is
cookin
Brighten up your soul and loosen up your brain
Make my heart beat all fast like the girl from plain jane
Now please allow me to proceed and bust my rude boy
flow
On the underground scene at the underground show
Grownups, kids, and inbetweens I guess it takes all
kinds
Cuz I guess we got true love, my blood, my blood true
love is blind
One purpose is to worship and to make the body strong
I don't care about your haircut, can't we always get
along?
Not just get along, but to really love and care
If your eyes are one the Lord you can't see nobody's
hair
Adonai Adonai
Well I don't claim to be a rhymin' apparatus
I don't want to be a gangster, i don't want to be the
baddest

I ain't no Al Pacino and I ain't no Al Capone
I'm just a rude boy with a new toy
Add two speakers and a microphone
So listen up, listen up and make sure that you can hear
me
I'm your brother and I'm your friend so come on and
get near me
I'm a sinner just like all of you don't make me into an
idol
I'm a preacher, I'm a saint and sinner, guess i fit the
titles
Gotta keep a humble heart, because my good is not
enough
Jehovia Jireh gotta give the glory up up up
To Y'shua me salvitore
Gotta give you all the glory God, I give you all my fears
God i give you all my years
Your my God and I will bow, I show all the proud people
how

Your my God and I will bow, in fact I think I'll bow right
now
Adonai Adonai
