Let me tell you a story that'll make a change  
Let me tell you when I'm way out of range  
It's about a man who's crueller than me  
So promise not to cause a scene  
And heaven help the one's you love  
There's no big need for stars above

Well, you can run, you know he'll find you  
It don't matter now, just look behind you  
You had your warn and you knew the score  
You got it wrong and that means war  
So, why'd you have to treat me rough?  
Your explanation's not enough  
Ain't nobody but me  
Gonna lie for you, gonna die for you  
Ain't no fish in the sea  
Gonna sigh for you, gonna try for you  
Gonna lie for you, gonna die for you

You see, I got a mental disposition  
Sometimes I'm mean, sometimes I'm vicious  
I'm Dr. Jekyll, I'm Mr. Hyde  
So if you want to stay alive  
Just give me all you've got to give  
And then perhaps I'll let you live  
Ain't nobody but me  
Gonna lie for you, gonna die for you  
Ain't no fish in the sea  
Gonna sigh for you, gonna try for you  
Gonna lie for you, gonna die for you  
Gonna sigh for you, gonna try for you  
Gonna lie for you, gonna die for you  
(Hush) Now baby, stop your crying  
(Oh yes) I know that I've been lying  
(Hush) Now baby, stop your crying  
(Oh yes) I know that I've been lying  
(Baby why don't you hush) Now baby, stop your crying  
(Oh yes) I know that I've been lying  
(Baby please don't you hush) Now baby, stop your crying  
(Oh yes) I know that I've been lying

(Baby why don't you hush) Now baby, stop your crying
