I don't understand,
It's so in to be unaffected,
they only life the cynical bands,
the bubble gum and the disconnected,
they point and laugh, at everybody who believe in
something.
Let them laugh,
I'd rather be alive so we'll be

(Chorus)

Singin' and smilin' and laughin' and cryin'
and pourin' out our hearts to Jesus,
jokin' and lovin' and carin' and wearin' my heart upon
my sleeve,
if its hip to be dead inside I'd rather be a fool,
cuz life is way to precious to spend it bein' cool.
Just act like you don't care,
that's the way to be a cool kid,
a bored, blas' empty stare, is all you need to be a cool
kid,
They never fail cuz
they don't attempt to do anything but radidcule, be
cynical,
I'd rather be uncool.
