"Blood Washed Pilgrim"

I saw a blood washed pilgrim, a sinner saved by grace
Up on the King's great highway, with peaceful shining
face
Temptations score beset him, but nothing could a
fright
He said the yoke is easy, the burden it is light
Psalms of victory, crowns of glory
psalms of victory I shall wear
I saw him in the furnace, he neither doubted or feared
And in the flames beside him, the Son of God
appeared
Though seven times it was heated, with all the
tempters' might
He said the youk is easy, the burden it is light
I saw him overcoming, through all the swelling strife
I saw him cross the threshold of God's eternal life
The crown, the throne, the scepter, the name
The stone so white for those who are found in Jesus
The burden it is light.
