I had a dream last night
I was a bird in flight
A burning city on my left
And a golden one on my right

There was a woman there
Tearing out her hair
In dust and ash she laid
The sins have been repaid

Oh Babylon, the whole earth has drank the madness in
your wine
Oh Babylon, but the day has come when you will pay for
every crime

And now it's time to take the wall!
'Cause Babylon must fall!
And raise it to the ground!
'Cause Judgement has come down!

But Jerusalem will stand,
A flood of justice flows across the land
And the earth take up the song
When we bring down Babylon!
Whoa…
When we bring down Babylon!
Whoa…
When we bring down Babylon!

Then in the golden town
I saw a throne and crown
To it word gathered 'round
The righteous bowing down

And the streets, they rang
With the song they sang
Bring forth the Lamb who died
And now bring forth His bride

Oh Jerusalem, your towers rising high in victory
Oh Jerusalem, from your gates, let peace and justice
flow like rivers to the sea

But now it's time to take the wall!
'Cause Babylon must fall!
And raise it to the ground!
'Cause Judgement has come down!

But Jerusalem will stand,
A flood of justice flows across the land
And the earth take up the song
When we bring down Babylon!
Whoa…
When we bring down Babylon!
Whoa…
When we bring down Babylon!

And now it's time to take the wall!
'Cause Babylon must fall!
And raise it to the ground!
'Cause Judgement has come down!

But Jerusalem will stand,
A flood of justice flows across the land
And the earth take up the song
When we bring down Babylon!
When we bring down Babylon!
Whoa…
When we bring down Babylon!
Whoa…
When we bring down Babylon!
Whoa…
When we bring down Babylon!

When we bring down Babylon!
Whoa…
When we bring down Babylon!
Whoa…
When we bring down Babylon!
Whoa…
When we bring down Babylon!
