Had an old friend call me up this morning  
Telling me about how he had changed  
His life's not the same  
Warning me about a place  
So far away from heaven's grace  
And how life is no simple game  
I thought about it, laughed out loud  
Only fools would dare reject it  
I decided to just accept it  
I thought about it and I sang this song  
Thought about the day when  
I'd be singing to you all day long

Chorus:

'cause I wanna spend it with you  
I wanna live in the service of heaven  
I wanna spend it with you  
From eternity to forever

Got another call from a friend this morning  
Telling me I didn't have to wait  
'til I walked through the gates  
That heaven's with me everyday  
And every step along the way  
I take with me takes  
I thought about it, laughed out loud  
How much better could this get  
I've barely even started yet  
I thought about it and I smiled so wide  
Now I can spend everyday walking close to Jesus' side

Chorus:

'cause I wanna spend it with you  
I wanna wake up and say good morning  
I wanna spend it with you  
I wanna know in your heart that you're with me

Called up my old friend this morning  
Telling him about how I had changed  
My life's just not the same  
Warning him about a place  
So far away from heaven's grace

And how life is no simple game  
He thought about it, he laughed out loud  
Only fools would dare reject it  
He decided to accept it  
He thought about it and said that he  
Only wished I didn't wait  
To call him up and tell him this

Chorus:

'cause I wanna spend it with you  
I wanna walk streets of gold together  
I wanna spend it with you  
From eternity to forever
