Well I messed up. I feel like I can't even lift my eyes
up.

I'm covered in the stain that I'm ashamed of.

The way I take advantage of your love.

And I'm terrified to stand before your throne with
blood on my hands.

I realize it's only by your blood that I can.

I knew that this is where I'd find you.

I don't have to remind you of all the times I failed you.

I knew that this is where I'd find you.

So this where I've come to, there's nothing else I can
do.

I'm confessing I'm up to my ears in transgression.

Is this the way I thank you for a blessing.

I know it's hard to tell but I am trying.

So here I am with nothing to say for myself.

Once again to plead the blood and nothing else.

I knew that this is where I'd find you.

I don't have to remind you of all the times I failed you.

I knew that this is where I'd find you.

So this where I've come to, there's nothing else I can
do. (3x)
