When you were young

Did you ever love somebody?

Like I love

I love you now

'Cos now that your's older

I see you don't mind

Letting go of my hand in a crowd

You don't wanna hold tight

And when we kissed one night

There's a million hearts

Beating in a row

I wish they go away

I'll say it again

There's a million hearts

It's the break to see

Every time you go away

When you were young

Did you ever fall down

Graze your knee

Want to run to someone

'Cos now that older

I've been falling down

I want to run to someone

But there's nobody around

I can feel the sign

There's a million hearts

Beating in my row

I wish they would go away

I'll say it again

There's a million hearts

It's the break to see

Every time you go away

Every time you go away

Think about the things I say

Think about it twice as long

Tell me what's going wrong

In the southern sky

The breeze is so wild

The bridge is so lonely

The reasons that life

Feeling so afraid

Talking about a, two hearts

Beating as one

Now hey

No

I'll say it again

There's a million hearts

Beating in a row

I wish they would go away

I'll say it again

There's a million hearts

It's the break to see

Every time you go away
