Don't blow those brains yet

We gotta be big boy, we gotta be big

Starfucker just like my daddy, yes

Starfucker just like my daddy, yes

Selling his baby just like my daddy, yes

I'm gonna strike a deal, make him feel like a
congressman

It's running in the family, it's running in the family

Rest your shoulders, Peaches and Cream, everywhere
a Judas as far as you can see

Beautiful angel, calling "We got every re-run of
Muhammad Ali"

Prism perfect

Honey bring it close to your lips, yes

What is termed a landslide of principle

Proportion boy, it's gotta be big, I said, it better be big

Starfucker just like my daddy, yes

Starfucker just like my daddy, yes

Selling his baby just like your daddy, yes

I'm gonna strike a deal, make him feel like a
congressman

It's running in the family, it's running in the family

Mother Mary

China white

Brown may be sweeter

May be sweeter / Maybe she will

Mother Mary

China white

Brown may be sweeter

She will supply

She will supply

She will supply

She will supply

Supply, supply

Give me peace, love, peace, love

Give me peace, love and a hard cock
