Verse:

Talking out loud in a motel room  
but no one is listening  
the bed is unmade and the curtains are drawn  
and the wind is whistling

Chorus:

under cover the lover is waiting  
but I can't turn away  
I've been loving the sinner  
hating the sin  
loving the sinner yeah

I know there's somewhere a man waits for her  
in misery  
and I can try all I want to  
find the will  
but there aint no sympathy, no  
under cover the lover is crying  
but I can't question why  
I've been loving the sinner  
and hating the sin  
loving the sinner and hating the sin  
hold me back until the trouble begins  
loving the sinner and hating the sin

I know somewhere a man waits for her  
wonder where she can be  
and I tried so hard to find the will  
but there ain't no sympathy, no  
under cover the lover is laughing  
just got me where she wants me now  
I've been loving the sinner  
and hating the sin  
loving the sinner and hating the sin  
hold me back until the trouble begins  
I tried so hard and I don't want it to end  
I tried so hard and I cant' let it go  
I tried so hard and I cant' let it go  
I can't let it go, I can't let it go  
I tried so hard and I cant' let it go oh no
