All of my life I felt that you were listening  
Watching for ways to help me stay in tune  
Lord of my dreams, although confusion  
Keeps trying to deceive  
Oh what is it that makes me believe in you?  
Oh I know, I know, I know, I know

Babaji, oh won't you come to me?  
Won't you help me to face the music?  
Bring it out so we can sing it out  
Help us to find it before we lose it  
At night when the stars are near  
And there's no one to keep you from coming here  
And if no one to shield me before your eyes  
Is it mine, is it mine, is it mine to know? I tell you

I can see it's not too good to me  
To be afloat in the sea of glory  
Babaji, oh how you comfort me  
By showing me it's a different story  
Your light in the dark is real  
And I know that you know it is how I feel  
When I see the reflections that's in your eyes  
Is it mine, is it mine, is it mine to know?  
Ohh, can't you here me?  
[Incomprehensible]

Babaji, have you a song for me  
To tell the world of it's guardian angel  
Bring it out so we can sing it out  
Oh must you always remain a stranger  
At night when the stars are near  
And I long for delusion to disappear  
Then I see the reflection that's in your eyes  
Is it time, is it time, is it time  
Is it time, is it time, is it time, is it time to know?

I said calling you, "Babaji"  
I said calling you, "Babaji"  
I said, "Babaji"  
Oh can you here me, Babaji?  
I told, calling you, "Babaji, Babaji"

I said, "Babaji"  
I said, "Babaji"  
I said, "Babaji"  
I said, "Babaji"  
Babaji, Babaji, Babaji
