Your silver nights and golden days
I try to reach you in a million ways
I'm crazy 'bout you Bonnie, can you tell?

Your diamond rings and fancy clothes
Do I want you babe? Well heaven knows
I'm wild about you Bonnie, can't you see?

Hey Bonnie I've love you oh so long
I know we'd get along
Hey Bonnie will you ever notice me?

Yes I know you oh so well
Just one look and I fell
Please tell me that our love will always be

I've seen your films and all your plays
I read about you every single day
I'd like to get my lovin' arms 'round you

From rags to riches, you've got it made
How does it feel to be a famous name?
Well Bonnie, can you do the same for me?

Oh Bonnie, I can feel you in my soul
And to love is my role
Oh Bonnie you're the only one for me

Yes I've got my fortune read
And here's what the gypsy said
That we'll live and love and share eternity

Bonnie, please be nice
We'll find paradise
Beneath the golden skies

Bonnie, you're good
Make me if you could
The toast of Hollywood

I'll give you all my love
We'll really live it out

Beneath the stars above

Your silver nights and golden days
I try to reach you in a million ways
I'm crazy 'bout you Bonnie, can you tell?

Your diamond rings and fancy clothes
Do I want you babe? Well heaven knows
I'm wild about you Bonnie, can't you tell?
Oh well, oh well
