You're tellin' lies  
So don't you criticize  
Yeah, I got used  
All messed up and abused

You let me down  
With all your runnin' round  
Still you pretend  
And try to call me friend

Don't say a word  
I know just what I heard  
Yeah, you've been loose  
You just go no excuse

Just feel my rage  
Why can't you come of age?  
I felt it all  
Just like a cannonball

Then you got mad  
You said that I'm all bad  
So what's the use  
You lied and that's the truth

You took the key  
And drove right out on me  
I never knew  
Put all my trust in you

Okay that's it  
I'm leaving now, I quit  
I was unwise  
So don't apologize

I paid the price  
For taking your advice  
I felt it all  
Just like a cannonball

You can say  
What you want all day

But I've never been  
So outraged

I'm washing  
My hands of you  
How could you  
Be so untrue

You know  
I can't stand no more  
You know  
I can't stand no more  
I can't stand no more  
Can't stand no more
