Well, here's a little song to make you feel good
Put a little light in your day
These are crazy times
And it's all been getting pretty serious, oh yeah

Here's a little song to make you feel right
Send the blues away
Well, it's a crazy game
Tell me who's to blame, I'm kind of curious, oh yeah

Right if you win, wrong if you lose
Nobody listens when you're singing the blues
Well, something's the matter, but nothing gets done
Oh, everyone's waiting for a place in the sun
Well, something is wrong now, can something be
wrong with me

Oh brother, why we gotta be so crazy
Oh crazy, yeah

Gimme little left, gimme little right
Gimme little black, gimme little white
Gimme little peace, gimme little hope
Gimme little love 'cause you know it seems
That the situation's getting serious, oh yeah

Right if you win, wrong if you lose
Nobody listens when you're singing the blues
Well, something's the matter, but nothing gets done
There's no use in waiting for a place in the sun
'Cause something is wrong now, can something be
wrong with me

Oh brother, why we gotta be so crazy
Oh crazy, yeah

Oh, something is wrong with me
Oh brother, why we gotta be this crazy
So crazy, so crazy
Ooh, it gotta be so crazy, gotta be so crazy

Crazy

Crazy
