Visit "[Lord It Is Mine](#)" on MotoLyrics.com

I know that there's a reason why I need to be alone
You show me there's a silent place that I can call my
own

Is it mine, oh lord, is it mine?

You know I get so weary from the battles in this life
there's many times i have seen that you're the only
hope in sight

is it mine, oh lord is it mine?

When everything's dark, and nothing seems right,
There's nothing to win and there's no need to fight
I never cease to wonder at the cruelty of this land

but it seems a time of sadness is a time to understand
Is it mine, oh lord is it mine?

When everything's dark and nothing seems right,
You don't have to win and there's no need to fight
If only I could find a way to feel your sweetness
through the day the love that shines around me could
be mine.

So give us an answer, won't you,

We know what we have to do,

There must be a thousand voices trying to get through.
