Let me tell you what I want to say
You're the only one who can make me feel this way

My kind of lady
No better love could I embrace
No better heart, no other face
Can quite compare with you

You came along and then you mend my broken dreams
I was so down and then as foolish as it seems
You gave me your affection
Yeah baby you came through

We'll make it you'll see, in spite of those who say it's
wrong
This time we feel that we belong, now we can truly say
We'll be together and that's all we'll ever need
We'll love each other, that's the way it's gonna be
And nothin' under the sun of moon can make us be
apart

Oh my honey, you know I'll love you every day
When things go wrong we'll find a way
I'm so glad I met you
Much more than I can ever say

We're making plans and holding hands just like before
We'll try again, we'll make amends along the road
It's feelin' good, just like it should, this time we know
We'll share each other's happiness for now and
evermore

I've been wastin' my life away, I've got a message for
you today
To tell you that you are my kind of lady
I'm not the same since I met you
All of my dreams had fallen through and then you
came along

One magic night when things went right, it was so fine
Looked in your eyes and realized that you were mine
And nothin' under the sun of moon

Can make us be apart

Oh my baby, you know I'll love you all the way
When times get hard we'll smile and say
I'm so glad I met you
I'll love you more and more each day

We're making plans and holding hands just like before
We'll try again, we'll make amends along the road
It's feelin' good, just like it should, this time we know
We'll share each other's happiness for now and
evermore
