Put on your old brown shoes, right on your feet
Time to move on, get away
You know you paid your dues, you did all you could
Time to move on, no more to say

You and me, we're helpless, can't you see?
We've got to get away, get away
We got to move on, 'til the madness around is gone
And the rest of our lives we'll be free

Kick out the morning blues, who needs a job
Who needs pain and oppression
You know it can't be beat, stand on your own two feet
Goodbye rain and depression

You and me, we're helpless, can't you see?
We've got to get away, get away
We got to move on, catch the next train, we'll be gone
The rest of our lives we'll be free

Get your blue jeans right on babe
Get your blue jeans right on babe
Get your blue jeans right on babe
Get your blue jeans right on babe

Get your blue jeans right on babe
Get your blue jeans right on babe
Get your blue jeans right on babe
Get your blue jeans right on babe

You know a friend is a friend, you don't leave him in
trouble
He got a little drunk so now he's seeing double
Ahh, don't you see him there, yeah, lying in the rubble
But you have to lend a hand, 'cause you know he's on
the level

Get your blue jeans right on babe
Get your blue jeans right on babe
Get your blue jeans right on babe
Get your blue jeans right on babe

You and me, we're helpless, can't you see?
We've got to get away, get away
We got to move on, 'til the madness around is gone
And the rest of our lives we'll be free
