Oh yeah

You've been lyin', I've been cryin'
You've been messin', I've been guessin' 'bout you
You've been cheatin', I've been creepin' around
You've been leavin', I'll be grievin', I'm grievin'

But I'm still in love with you
And no matter what you do
'Cause you know that in the end
I'll come runnin' back to you
Oh yeah

I've been drinkin', got me thinkin'
You've been tellin', I've been yellin' at you
You've been stretchin', I've been fetchin' you
You've been tastin', I've been wastin', I'm wastin'

But I'm still in love with you
And no matter what you do
Yeah you know that in the end
I'll come runnin' back to you again

You've been sighin' and goodbyin'
Never goin', where you're goin'?
Yo've been teasin', I've been losin' you
You're my lover but I discovered the truth

That I'm still in love with you
And no matter what you do
Yeah you know that in the end
I'll come runnin' back again

Got me dancin' on a string like I just don't mean a thing
'Cause you know that in the end
I'll come runnin' back again, runnin' back again
Yeah, I'll come runnin' back
[Incomprehensible]
