So you think you're a Romeo
Playing a part in a picture show
Take the long way home
Take the long way home

'Cos you're the joke of the neighborhood
Why should you care if you're feeling good?
Take the long way home
Take the long way home

But there are times that you feel you're part of the
scenery
Oh, all the greenery is comin' down, boy
And then your wife seems to think you're part of the
furniture
Oh, it's peculiar, she used to be so nice

When lonely days turn to lonely nights
You take a trip to the city lights
And take the long way home
Take the long way home

You never see what you want to see
Forever playing to the gallery
You take the long way home
Take the long way home

And when you're up on the stage, it's so unbelievable
Oh, unforgettable, how they adore you
But then your wife seems to think you're losing your
sanity
Oh, calamity, is there no way out?
Oh, yeah

(Oh, just don't give up)
(Don't, don't give it up)
(Ooo yeah)

Does it feel that your life's become a catastrophe?
Oh, it has to be for you to grow, boy
And when you look through the years
And see what you could have been

Oh, what might have been
If you'd had more time

So, when the day comes to settle down
Who's to blame if you're not around?
You took the long way home
You took the long way home
You took the long way home
(Tu, ru, ru, yea)
You took the long way home

You took the long way home
(Oh yeah)
You took the long way home
You took the long way home
(Ooo yeah)
You took the long way home

(Yeah)
(Ooo, ooo, ooo, ooo)
(Yeah)
(Long way home)
(Long way home)
(Long way home)
