Look at me, I'm a speck of sand
And I'm building dreams in a strangers land
Tell me why do I care
Tell me why do I care

Every time that I'm feeling down
Oh, they pick me up and they spin me 'round
Tell me where do we go
Tell me where do we go from here

What are we gonna find out
(Find out)
What are we gonna find out
(Find out)
Leave the wilderness, now there's loneliness, dreams

And just as long as there's two of us
Just as long as there's two of us, I'll carry on
Won't you hold me

When is man gonna find out
(Find out)
When are we gonna find out
(Find out)
What the universe is just waiting to here

Just as long as there's two of us
Just as long as there's two of us
Just as long as there's two of us
We'll carry on
