You win and I lose, I beg and you choose
You're so cool and I'm confused but I'm me and you're
you
You're so loose and I'm uptight
You're day and I'm night

Like two ships in the night in foggy weather
Just a waitin' for fresh winds to blow
And maybe we're losin' one another
But I could be wrong, I don't know

You get the best, I get the rest
You pass the test, I'm just a mess
You got it made, I'm in the shade

Like two ships in the night in foggy weather
Just a waitin' for fresh winds to blow
And maybe we're losin' one another
But I could be wrong, I don't know

Like two dopes in the boat without a paddle
Just a wonderin' why it don't go?
We could be losin' one another
I could be wrong, I don't know

I know you're tryin' to phase me
It's gonna drive me crazy
Now I can't wait for the day when

I win and you lose
You beg and I choose
You're in the shade, I'm on parade

Like two ships in the night in foggy weather
Just a waitin' for fresh winds to blow
And maybe we're losin' one another
I could be wrong, I don't know

Like two dopes in the boat without a paddle
Just a wonderin' why it don't go?
We could be losin' one another
I could be wrong, I don't know

Like two ships in the night in foggy weather
Just a waitin' for fresh winds to blow
And maybe we're losin' one another
But I could be wrong, I don't know

Like two dopes in the boat without a paddle
Just a wonderin' why it don't go?
We could be losin' one another
I could be wrong, I don't know

Like two ships in the night in foggy weather
Just a waitin' for fresh winds to blow
And maybe we're losin' one another
But I could be wrong, I don't know

Like two dopes in the boat without a paddle
Just a wonderin' why it don't go?
We could be losin' one another
I could be wrong, I don't know

Like two ships in the night in foggy weather
Just a waitin' for fresh winds to blow
And maybe we're losin' one another
But I could be wrong, I don't know
