Chorus: Ese Daz  
It, feels so, good, to  
Be, alive  
And I'm glad I made it  
Everything is okay  
Everything is alright  
And after all I been, now I see the sunlight  
So wake up, wake up  
Get up, get up  
Everything's gon' be alright  
I just dust myself off, pop the sunroof top  
And now I see sunshine

[Verse 1: Ese Daz]  
I dig in the scene with a gangsta lean  
Ahora was a good day, you know what I mean  
I look up at the sky, only God can judge me  
A smile on a face, cause I can care less what they say  
So keep on  
Talkin'  
I'll keep  
Stackin'  
All my  
Paper  
Fuck all  
Haters  
But all the homies that got love for me  
Just throw your dubs for me, represent with me  
It's all brown love, when I'm in the club  
I don't care where you from, let's just get all to rub  
So Khool Aid and E-Dubb, won't you pop the bottle  
While me and Lucky Luciano smoke a Cuban cigaro

Repeat Chorus

[Verse 2: Lucky Luciano]  
Man, I wake up and ball, cause I been through it all  
Used to have be my feet, now I 20-inch-crawl  
Never had no money  
Elbows as (As shit)  
That's why I stunt now, put my game down flat (Shit)

Started at the bottom  
Now I'm at the top  
I'm all on your T.V., showin' off my rocks  
Don't touch that dial  
I'm on your station  
I could drop a freestyle if you show me the paper  
It, feels so, good  
I'm doin' my thang, my situation is lovely  
Some drastic change from Ole E to the bubbly  
Used to blow on kareoke, now the radio love me

Repeat Chorus

[Verse 3: Ese Daz]

After all I been through, I can smile again  
Sometimes, I pinch myself and count to ten  
Cause it feels like a dream, nothing's going wrong  
Nobody's diein'  
No mothers cryin'  
No ghetto chickens up makin' noise  
And I'm surprised to see kids outside, playin' with toys  
Huh  
My Raiders won again, 28-10  
And this club that I was (???) on my clothes, just let me  
in  
Well, that's the goal, right, I see a mami lookin' tight  
She walked up, "Ese, let's hook up  
Later on tonight"  
And now I'm feelin' I'm on top of the world  
No more days, big and broke, strugglin' with, no hope  
I'm just rollin' down Carson Street  
With the top down, cruisin' to the H.A. streets  
Huh  
The cops didn't even pull me over today  
Like Ice Cube  
I had to say, "Today was a good day"

Repeat Chorus
