You're rollin' up in your Mercedes Benz
Full of your fake friends
They're laughin' like they love you
You walk around just like you L.A.
With all your make up
Boys aren't supposed to wear that stuff
Do you think there could be
Somethin' fortune can't buy?
Do you think love has
Somethin' to do with it?
Trendsetter, you dance alone to your heartbeat
Trendsetter, trend-trendsetter
Trendsetter, show me what I wanna be
Trendsetter, trendsetter
You can't afford enough attention
To stay at number one
So just charge it to mom's credit card
Gettin' groped by all the freshman
But they can't touch you when
They find there's nothin' left inside
Do you think they will

Stay by your side?

Do you think there's somethin'

More to life than lies?

Trendsetter, you dance alone to your heartbeat

Trendsetter, trend-trendsetter

Trendsetter, show me what I wanna be

Trendsetter, trendsetter

Trendsetter, trendsetter

Trendsetter, trendsetter

Trendsetter, you dance alone to your heartbeat

Trendsetter, trendsetter

Trendsetter, take a look at yourself

All that's left is a ghost when you're somebody else

Trendsetter, show me what I wanna be

Trendsetter, trendsetter

Trendsetter

Take a look at yourself all that's left is a ghost
