I pulled up in my red truck.
She walked to the driver's side, and asked if she could
ride shotgun, and warm up in the heat.
So I said yeah, sure, get in. Well I must not forget that
she's still a woman, and not just another whore.
And I know,
That some things in life are not free.
And I know,
That if you can't do it better, can't run from these
people Then you might not have to breathe so hard to
do this.

I said my name is Scotty,
You've got a real nice body, and a real nice smile.
Its a shame that you have to whore.
Well its my occupation,
Been on the street for six months
And I can't leave, cuz I got no place to go.

And I know,
That some things in life are not free.
And I know,
That if you can't do it better, can't run from these
people Then you might not have to breathe so hard to
do this.

I asked, have you seen your daddy?
Went to jail for being bad,
He shot three people dead,
He left an orphan child.
I said its about time to leave.
My make-ups good, your lipstick teeth
And I can leave
Cuz staying here is pointless
And I know,
That some things is life are not free.
And I know,
If you can't do it better, can't run from these people
Then you might not have to breathe so hard to do this.

She said she's got this habit.
Don't want it but she's got to have it.

She liked it when she started,
But now its a run away train.
Started seeing clearer,
Eating breakfast on a mirror.
Help me please,
I don't like what I saw.

And I know,
That some things in life are not free.
No no no,
And I know,
That if you can't do it better, can't run from these
people Then you might not have to breathe so hard to
do this.
