Pretty baby don't start a fight, i can see it in your eyes  
but please don't do it tonight  
say you wanna leave cuz i've got plans for you  
well if your gonna leave then fuck you anyway, i can  
find a new girl by the end of the day  
and she won't leave until i tell her to get out  
so why can't we just enjoy each other? We're always  
fighting all the time.  
well we could stop and be lovers. we could break up  
and that would be just fine.  
Girl, when i'm with you i'm hot (Like i've been smokin  
sinsemilla all night)  
my arms are heavy and my eyes get stuck (Feel my  
knees shake and i know why i'm hooked)  
so please don't tell me it's time to go (i'm on the all  
alone and i need you so)  
Tell me to stay the whole night through, Girl you got me  
going for you  
Pretty baby don't get so mad when i say i gotta leave  
and go on tour with my band,  
cuz when i get back, things will be fine.  
But if your not here when i get back, live i've said it  
before it'll be no sweat off my sack,  
It's too bad i thought we were the match  
so why can't we just enjoy each other? We're always  
fighting all the time.  
well we could stop and be lovers. we could break up  
and that would be just fine.

Girl, when i'm with you i'm hot (Like i've been smokin
