

# Dreaming, The "Always & Never"

Visit "[Always & Never](#)" on MotoLyrics.com

It feels like the end is near  
Too many nights end in angry tears  
The writing is on the wall  
Feels like the end to it all

Cause I won't let you go  
Until I let you know  
My love for you will never die

Always and never  
Always and never  
Always and never  
Love never dies

Dead silence fills the air  
Trapped in a life too broken to repair  
Message's loud and clear  
We're just too blind to care

But I won't let you leave  
Till I make you believe  
My love for you will never die

Always and never  
Always and never  
Always and never  
Love never dies  
Love never dies

Feels like the end is near  
Feels like the end is here
