

Dreaming, The "Beautiful"

You're beautiful but your soul is cold and dead
Angelic, but a demon fills your head
The heaven that you promised life could be
Was a deadly blend of hell and ecstasy

God you are so beautiful
Til' I looked in your eyes

Now I know you're so ugly
I know you're so ugly on the inside
I know you're so ugly
So beautiful but ugly on the inside
On the inside

So beautiful but ice runs through your veins
Slowly draining all my life away
Perfection in a shell devoid of life
You leave a trail of broken dreams behind

God you are so beautiful
Til' I looked in your eyes

Now I know you're so ugly
I know you're so ugly on the inside
I know you're so ugly
So beautiful but ugly on the inside
On the inside

Beautiful
So Beautiful
Beautiful
Til' I looked in your eyes
Beautiful
So Beautiful
So Beautiful til' I looked in your eyes

Now I know you're so ugly
I know you're so ugly on the inside
I know you're so ugly
So beautiful but ugly
I know you're so ugly

So beautiful but ugly on the inside
On the inside
On the inside
On the inside
