"Bleed"

We've ignored the truth trying to paint this perfect life
There's no ugliness if we only close our eyes
But you cut too deep too often
Now I'm hemorrhaging inside
Now it's too late to stitch up with a butterfly

Is this what you want?
It this what you need?
To tear out my soul
To watch as I bleed
Is this what you want?
It this what you need?
You tear out my soul
To watch as I bleed

I swallow all my hate and keep it buried deep inside
But I'm choking on a truth that I can't deny
That you cut too deep too often
Now I'm hemorrhaging inside
It will take more than a tourniquet this time

Is this what you want?
It this what you need?
You tear out my soul
To watch as I bleed
Is this what you want?
Are you satisfied?
There's nothing left
You've bled me dry
You've bled me dry
But you cut too deep too often
Now I'm hemorrhaging inside
Now it's too late to stitch up with a butterfly

Is this what you want?
It this what you need?
You tear out my soul
To watch as I bleed
Is this what you want?
Are you satisfied?
There's nothing left

You've bled me dry
You've bled me dry
You've bled me dry
(But you cut too deep too often. Now I'm hemorrhaging
inside)
You've bled me dry
(But you cut too deep too often. Now I'm hemorrhaging
inside)
