

Dreaming, The "Crawl"

So much of me died with you
An ocean I've cried for you
There is nothing I wouldn't give just to say my last
goodbye to you
I laid it all on the table
Now it's all on the floor
It's worth nothing
It's worth nothing to you
Anymore

I would beg
I would plead
I would crawl
On my hands and my knees
To try to restore her faith in me
I would crawl
On my hands and my knees
I would crawl
Just to be with you
Just to be with you

I'd give up an eternity if I could only to come home to
you
But your garden is empty
All your flowers are dead
I tried to keep it growing
But there's no light there

I would beg
I would plead
I would crawl
On my hands and my knees
To try to restore
Your faith in me
I would crawl
On my hands and my knees
You know I would beg
You know I would plead
I would crawl through hell on my knees
Just to be with you
Just to be with you
