

Dreaming, The "Drowning"

I can't breath
The life is fading
I try to struggle
But I can't resist your pull

As endless waves
Of pure energy
Washed away
I surrender all control

Drowning in your ocean
Drowning deep inside your soul
Drowning in your ocean
Lost forever in your soul

Sinking ever deeper
Myself forgotten
Lost along the along
I am used
In the darkness
Where there's nothing left of me to save

Drowning in your ocean
Drowning deep inside your soul
Drowning in your ocean
Lost forever in your soul

Pull me under
Drag me down
Pull me under
Drag me down

We're floating
In eternity
Underneath a symphony of stars
Heavens go on and on forever
Oh but we don't have a life to look back on

Drowning in your ocean
Drowning deep inside your soul
Drowning in your ocean

Lost forever in your soul
Drowning in your ocean
Lost forever in your soul
In your soul
In your soul
In your soul
