

Dreaming, The "Hollow Man"

I can't remember how it feels to breath
I'm suffocating inside these memories
Like a candle snuffed out in the night
Like a moth I was drawn into the light
Now I'm nowhere, cause I have lost my way

I am the empty
I am the hollow
I am the silence
I am the sorrow
And I have nothing left to beg, steal, or borrow
I am without you
And I am a hollow man

I feel a wasteland growing inside me
It's getting darker, it's getting hard to see
Like a candle snuffed out in the night
Like a moth I was drawn into the light
Now I'm nowhere, cause I have lost my way

I am the empty
I am the hollow
I am the silence
I am the sorrow
And I have nothing left to beg, steal, or borrow
I am without you
And I am a hollow man

There's nothing but cold inside
Won't somebody save me?
Before there's nothing left alive

I am the empty
I am the hollow
I am the silence
I am the sorrow
And I have nothing left to beg, steal, or borrow
I am without you
And I am a hollow man
A hollow man
A hollow man

A hollow man
