Living in your shadow  
Crushed underneath your thumb  
You've left me pale and hollow  
Dreaming of the sun  
Why must you control me  
Breaking me down every day  
I gave you my trust  
But you threw it all away

Set me free if I am just your puppet  
Set me free if I am just your puppet on a string

You tried to make me something  
Something I could never be  
Stripped me of my freedom  
Stripped me of my dignity  
And every time I failed you  
I'd want to kill myself  
Well I am sick of living  
Living in your hell

Set me free if I am just your puppet  
Set me free if I am just your puppet  
Set me free if I am just your puppet on a string.  
Dead till you'd breathe life into me.  
Set me free.

Free  
I'm free

Living in your shadow  
Crushed beneath your thumb  
You left me pale and hollow  
Dreaming of the sun

Set me free cause I am not your puppet  
Set me free cause I am not your puppet  
Set me free cause I am not your puppet on a string  
Dead untill you breathe life into me

(Set me free)

(Set me free)  
Set me free  
(Set me free)  
(Set me free)  
Free.
