YOU'RE MY EVERYTHING SANTA ESMERALDA

You're my everything

The sun that shines above you makes the bluebird sing

The stars that twinkle way up in the sky

Tell me I'm in love

When I kiss your lips

I feel the rolling thunder to my fingertips

And all the while my head is in a spin

Deep within , I'm in love

****** You're my everything

And nothin' really matters

But the love you bring

You're my everything

To see you in the morning

With those big , brown eyes

You're my everything

Forever and a day

I need you close to me

You're my everything

You never have to worry , never fear

For I am near

When I hold you tight

There's nothing that can harm you in the lonely night

I'll come to you and keep you safe and warm

Yet so strong , my love

You're my everything

I live upon the land and see the sky above

I swim within her ocean , sweet and warm

There's no storm , my love

Repeat
